You should refer to research literature and the curriculum, but practical experience can also be of value. However, papers only based on personal opinions or that does not make use of any curriculum will not generate a good grade.

**Grade:** The grades will be A-F, where F is fail.

## Exam

Pick one of the two tasks below, and make sure that you follow the instructions for formatting and referencing:

- 1) Write a report for a local club (from a sport of your choosing) on how they can prevent dropout within their club. The report should focus on dropout in general and have some concrete practical suggestions for the club setting on how to prevent it.
- 2) A sports federation (from a sport of your choosing) contacts you because they want more information about talent development systems. They have asked you to write a report about this topic and how it relates to aspects such as dropout and talent development.
